

## **Unlimited Long Distance Service Agreement**

The PGTELCO Unlimited Plan is for direct-dialed voice usage only. The Unlimited Plan covers the contiguous 48 States and does not include Alaska or Hawaii. If usage under this plan is not consistent with typical Customer usage PGTELCO may offer the Customer an alternative plan or suspend, restrict or terminate the Customer's service without prior notice. Usage restrictions apply and may not be used in conjunction with the following:

- a. Auto dialers
- b. Long distance internet access
- c. PBX Trunks
- d. Resale of Unlimited minutes
- e. Call Center applications
- f. Ground start trunks and lines
- g. ISDN services
- h. Foreign exchange services
- i. Public telephone services
- j. Public access phones
- k. Digital PBX trunks
- l. WATS services
- m. Predictive dialing and calling systems
- n. Automatic outbound dialing systems
- o. Automatic call distributions systems
- p. The functional equivalent of any of the above systems
- q. Telemarketing
- r. Conference Calling services
